## **AMENDMENT**

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

This is in response to the Office Action mailed September 24, 2002, and having a period for response set to expire on December 24, 2002. A Petition for a one-month extension of time, together with the requisite fee for same, is submitted herewith, thereby extending the period for response to January 24, 2002.

The following amendments and remarks are respectfully submitted. Reconsideration of the claims is respectfully requested.

## IN THE CLAIMS:

(TWICE AMENDED) A display characteristics recognition apparatus comprising:
 a signal output unit connected to a display unit displaying an image according to a signal entered, said display unit displaying the image with a color displayed according to both the signal and a display characteristic of said display unit, said signal output unit outputting a color chart signal representative of a color value to said display unit;

an input unit receiving interactive input identifying or indicating a perceived color perception category of the color displayed on said display unit in accordance with the color chart signal outputted from said signal output unit; and

a display characteristics identification unit automatically determining a value
